### **ABOUT THE AWARDS**

The Professional Beauty Awards is the most prestigious awards scheme for the beauty, nail and spa industries. The Awards seek to recognise those who make a real difference to the industry and to encourage their development.

A Professional Beauty Award is a sign of excellence and a recognition that you have been judged by your peers to be at the top of your profession.

The judging is conducted by an independent panel of experts in the various categories and every spa, salon and nail salon on the shortlist also has a visit from a mystery shopper to ensure that there is complete fairness in all stages of the judging process. The awards proved to be a fantastic night, bringing together hundreds of beauty professionals to honour those who have performed outstandingly over the last year.
