

Residential Spa of the Year nomination for Armathwaite Hall Country House Hotel and Spa

Armathwaite Hall Country House Hotel and Spa near Keswick in the Lake District is delighted to learn that the spa has been short-listed in the **Professional Beauty Awards** for 'Residential Spa of the Year – 10 rooms or fewer'.

Organised by spa industry magazine Professional Beauty, and **compiled by expert independent industry figures**, the Professional Beauty Awards are highly respected and a nomination is noted as a coveted honour in itself. With 14 categories in total, 5 other high quality residential spas in the UK have been nominated in this category.

Finalists in the Professional Beauty Awards will now receive two visits in order to establish the winner: one from an official award member, and another from a mystery shopper who will be unknown to the spa. Both visitors will then submit detailed reports to a judging panel of industry experts.

The winner will be announced at the judging days in London, early next year.
