## Hawk Walk at Trotters World of Animals

This is real participation! On commencement of this one hour experience, you'll come glove to claw with and fly your first hawk. As the experience continues and your confidence grows, you'll progress to a hawk walk, calling the hawk from the trees to you through the grounds, and finish with a flight to the fist from our most photogenic feathered friend.

**£25 per person max 4 persons per encounter**

## Lemur Encounter at Trotters World of Animals

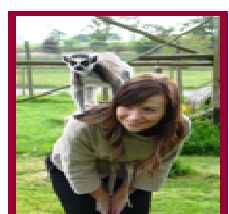

Accompanied by a specialist primate keeper through out this one hour experience, you'll learn more about our ring-tailed lemur families, help prepare food and enrichment toys before meeting the lemurs face to face in their enclosure. These bold and curiosity filled creatures enchant all who are privileged enough to meet them – the only place that beats this is Madagascar itself!

**£25 per person max 4 persons per encounter**
