

## BAR & BRASSERIE CHILDRENS MENU

The Courtyard Brasserie strives to bring you the freshest local quality produce. We are working tirelessly to involve and promote local producers, suppliers and small holders. As far as we can, we source within Cumbria, the North West and Southern Scotland; as local as possible! We follow the same ethos using a small amount of specially selected artisan producers from other regions, providing us the best ingredients possible. Our meat and fish is of sustainable, naturally reared stock, and our poultry is free range where possible.

We hope you enjoy your dining experience and please ask if we can assist you in any way.
