A GUIDE TO YOUR PERFECT SPA EXPERIENCE

What should I wear?

The atmosphere is relaxed and informal and most guests choose to wear robes at all times. Suitable trainers must be worn for the gym and all classes. Swimsuits must be worn in the swimming pool, thermal suite and outdoor hydrotherapy pool. You may wish to wear your swimwear for some treatments however, if appropriate to your treatment, we will provide you with disposable underwear. It is not advisable to wear jewellery during treatments so we recommend that you do not bring valuables with you. We are unable to accept responsibility for loss or damage incurred to your personal belongings. The use of mobile phones, personal music systems or lap tops is not permitted as their use may be disturbing to some guests.

We will provide

As a hotel resident you will be provided with a robe in your bedroom. Towels are available from The Spa Reception and 'sweat' towels are provided in the gym. In the changing rooms there are hair and body shampoo, body lotion, cleansers and toners, cotton pads and tissues. We provide hairdryers but there are no electric sockets for other hair appliances.

Armathwaite Spa is committed to reducing our environmental impact, so we are kindly asking our guests to bring their own flip flops when using the spa facilities. Please join us in our efforts to create a more sustainable experience. Thank you.

Treatments booked?

As you are our number one priority, it is imperative that we provide you with the maximum benefit of your treatment. Please plan your time carefully as all treatments are completed as scheduled; arriving late will, unfortunately, result in your treatment being shortened and lessen its benefit and enjoyment for you.

All indicated treatment durations include time for consultation, comfort, and home care advice.

Robes are provided in the Spa for non-residents when having treatments. If you are staying with us in the hotel, we kindly ask you to bring your robe from your bedroom.

In order to offer you a safe, beneficial, and enjoyable treatment experience, we ask that you inform us of any recent or ongoing medical conditions, allergies, if you are or may be pregnant, if you are currently under medical supervision or having treatment and if you have had surgery in the last 6 months. Failure to do so may result in the cancellation or alteration of your original treatment choice. We reserve the right to refuse treatment in cases where we believe it would be unsafe to proceed.

Spa terms and conditions

Use of the Spa by guests aged under 16 is only permitted Monday-Sunday, between 8:00am-9:30am. Guests aged 16 years and over are allowed to use the outdoor hydrotherapy pool if accompanied by an adult. All guests under 18 years of age must be accompanied by an adult at all times. Due to the nature of the treatments and thermal facilities alcohol consumption must be kept to a minimum, for this reason we operate a three drink rule for alcoholic drinks consumed within the spa.

Booking and cancellation policy

Full payment is required upfront at the time of booking. All reservations are non-refundable. This also applies to guests who are paying with gift vouchers. Should you wish to change the date of your reservation, this will be discussed with spa reception at the time of booking.
